Re: Upcoming name change of XIAMETER™ OFX-0193 produced in China

Dear Valued Customer,

At Dow, we value you as our customer and understand the importance of change notification. As part of our ongoing efforts toward continuous improvement, this notification is to inform you that Dow will begin using a new product name for XIAMETER™ OFX-0193 produced in China (the “Product”).

The change is only to the Product name and its material identification number. There are no changes to the raw materials, composition, or processing and the Product will continue to be manufactured in compliance with Dow’s specifications.

The change will be effective in mid-2021. As we get closer to implementation, an additional notification letter will be shared confirming the Product names and material identification numbers.

The list of Products affected by this change and their future names are listed below:

Current Product Name	Future Product Name
XIAMETER™ OFX-0193 FLUID,BOT,500ML-BOT	XIAMETER™ OFX-193S FLUID,BOT,500ML-BOT
